

Quick Links for morriscatholic.org

Morriscatholic.org is an ever-changing and important piece of Morris Catholic culture and day to day MC living. In efforts to better serve those who use morriscatholic.org and maintain its integrity and efficiency, sections of the website continue to evolve and change to better serve the needs of our community. As webmaster I ask you to explore the site, comment on it, and ask questions. Keeping our website fresh and up to date as well as making it user friendly and easy to navigate is my #1 concern.

Please take the time to discover some of the new elements that were recently added, like our presidents' blog and "MC in the Spotlight" podcast. Also most importantly the addition of our Quick Links Badge. As you can see in the snapshot of the website below, we have replaced the list of commonly used links, known as "Quick Links", with a sleek single click icon which will take you to a page that has easy access to everything important that you may need to find, download or link to. Examples are: Teacher email, Power School, School Notes, Lunch Menus, Handbooks, Forms, Honeywell and Employment Opportunities.

Thanks for being a part of MC technology and media via the web, and thank you as we embark on the future of Morris Catholic over the internet.
